Compassion

Welcome back to the new term and 2018. I hope you all had a lovely Christmas and enjoyed the festivities with families and friends. I would like to thank all of you for the kind gifts and cards that the adults received, these are very much appreciated.

This term is only 54 school days so there is much to squeeze in! We have all started our learning on the theme "From Horse to Horse Power". I know there are some fabulous trips and activities planned for all of the children across the school and I really look forward to seeing the exciting work.

As part of our ongoing commitment to ensuring that our children are fully equipped for the digital world our year 4 group of children have been given Chromebooks to work on during lesson time. In order to enhance this further they will have the opportunity to work alongside Mr Roy Leighton, a Digital leader who has previously worked with years 5 and 6.

Next week sees the start of our celebration assembly and a new group of children experiencing Forest Schools with Mrs Boddington. Year 5 and 6 will be visiting Wrenn School for the cancelled performance of Scrooge which has been rearranged from the snow closure day.

I hope if you have a child who is starting school in September 2018 you have applied for a school place as the closing date is **15th January**. Please remember that if you have a child already at All Saints or attend the Nursery you do not automatically get a place - you must apply through admissions.

Attached to this Head 2 Home are the dates for the term for your diaries so you have advanced warning for events such as FFF, Class assemblies, Family Learning Reviews and Easter as I know many of you like to support your child at these activities.

I wish you all a lovely weekend, best wishes

Mrs J
