RECEPTION AND NURSERY

Spring 2018

Welcome to our Spring term in Nursery and Reception. We have already welcomed our new group of Nursery children, where our existing Nursery and Reception children have certainly been helping them to settle in.

We have lots of exciting things planned as well as a trip to Stoke Bruerne for Reception on **Thursday 8th March** with Year 1 and 2 (letter to follow).

Learning Overview

Our topic for this term, entitled 'Horse to Horse Power', will see the children meeting the Troll and helping him to solve various bridge problems. The children will then progress onto learning about various methods of transport and how they have changed over time.

Some of the key texts we will be reading include:- Troll by Julia Donaldson, The Three Billy Goats Gruff, The Rain Train by Elena de Roo and Brian Lovelock, Curious George and the Hot Air Balloon as well as many others.

As previously mentioned, Reception will also be attending a trip to Stoke Bruerne to support their learning about canals.

At the end of the topic, the children will be considering what transport could look like in the future, and will be putting on their inventors' hats to come up with some exciting ideas!

Spring Time Maths

Below are the topics which we will be learning in Maths this term.

Our Values

January - Thankfulness
February - Love
March - Hope
Easter

Days and Dates

Nursery

Library Monday morning and afternoon
P.E. Thursday morning with Mr Chambers
