

2021-2022 Number 26 | Friday 6th May 2022

With Jesus as our guide, we will inspire a passion for learning, high aspirations and respect for all.

## What a week we have had at All Saints!

Firstly we started with reporter Tom interviewing some of us live for the breakfast show on Radio Northampton. I know some families listened to myself, Mrs Dady, Mrs Kerr and some children talk about the incredible experience and how pleased we are that we were the most successful school. Mr Chambers recorded an interview which was then played during the evening show.

We welcomed visitors and other winners into school for the prize giving and two organisations who won gift vouchers for decathlon kindly donated these to the ones we also received. This was such a lovely gesture. Whilst I was talking with them after the ceremony they said how fabulous All Saints was and what a very special place it was and they both felt that we would use the vouchers to support the children.

On Wednesday, myself and 9 other adults had the absolute pleasure of accompanying 95 children to London to perform at the O2 Arena in the Young Voices choir. I hope you all have seen the pictures on our Facebook page. What an incredible experience. I was so proud of how our children behaved throughout our coach driver said "we had been a pleasure", another school mentioned "what lovely children you have" and the security guard said "you have lovely children at your school who listen to their grown ups so well".

We will return in two years time so get prepared those of you who are currently in Years 1, 2, 3 and 4 as you will have the chance to join and sing and dance away the night. Singing is such an uplifting experience and so good for mental well being. Hearing over 7000 children singing and moving together is incredible and is a memory that will last with us all.

Thank you to those parents who have taken the time to send some lovely thank you's which I have shared with the staff, who without them giving up their free time we would not have been able to experience this.....and despite the 18 hour day were all in all bright and early the next day.

Next week sees our Year 6 children complete their Statutory tests and Year 2 start the two period in which they need to complete theirs. With Year 6 if your child feels unwell you must contact the school immediately as failure to complete one paper is an immediate fail. These tests have a very short window in which they have to be completed so it is vital that we speak to you.

The Government has not allowed any exceptions to the assessment process for any Primary aged child this year despite the significant disruption they have experienced. Academic performance is important and we strive at All Saints for successful learners. It is vital that we remember that children are only tested in Maths and English and there is so much more that children need, to be balanced all rounded individuals. Subjects such as Music and PE are not "tested" but vital to children and a crucial part of their well being so we continue at All Saints to ensure that a full and balanced curriculum is delivered.

We strive to "inspire a passion " so this week if we have inspired one child to sing or walk as part of exercise we have achieved one of our goals. If when they are adults an individual is out walking and they share that they love it I hope they remember the time their school won "Beat the Streets" . When listening to music and perhaps singing along and sharing how much they love singing I hope they remember singing at the O2 in the Young Voices Choir. Experiences are so important and stay with us forever and we will continue, despite the constant pressure for academic achievement in tests to provide as many opportunities for our children to experience the world around us.

Finally I was delighted to receive a lovely framed letter from the organisation in Poland who distributed the items the Zietal family helped to transport to help the Ukrainian people. Your generosity was simply amazing and I know has had a direct impact on families whose lives are in turmoil. Thank you

I hope you all have a lovely weekend , best wishes Mrs J

### Chester House Trip Year 3 & 4 18th May

Today is the deadline for the payment of £4 for this trip.

Please use your SCOPAY account to make payment.

Don't forget to change your hot meals to the packed lunch option if required using your Parentpay account.

### **SAFEGUARDING INFORMATION**

As part of the Anti-Bullying Ambassador plan to achieve our wellbeing badge, the children requested to create a new email address where safeguarding concerns, such as bullying, can be directly reported to school.

The following email address will be overseen by our DSL team:  
[safeguardingconcern@allsaintspri.org](mailto:safeguardingconcern@allsaintspri.org)

This new email address will be promoted in school as another avenue for children to communicate any issues that arise that make them feel worried and/or unsafe.

### **An Urgent plea from the Daylight Centre**

We are putting out an urgent call for food supplies. We understand that the current climate makes giving extremely difficult and we urge that you only support as and when you are able to do so. We are currently low of quite a lot of items that are staples in our food parcels and below our urgent flyer if you would like to have a look at what we are in desperate need of.

**WE DESPERATELY NEED YOUR FOOD DONATIONS!**

Last week alone we delivered over 100 food parcels in the local area. With this rise, we have dwindling provisions to give out and we are struggling to sustainably meet this demand.

If you can donate any of the following, you would be helping hundreds of households experiencing food poverty:

Instant Noodles	Long-Life Juice
Pasta 'N' Sauce	750ml and 1L squash bottles
Crackers	Jam
Mug Shots	Sugar
Cuppa Soup	Long-life UHT semi-skimmed milk
Long-life UHT whole milk	Pot Noodle
Pasta Sauce	

Contact: [foodbank@daylightcf.org](mailto:foodbank@daylightcf.org) | 01933 446490

daylightcentre  
FELLOWSHIP

If you are able to donate anything and can drop it to school in the next 2 weeks, Mrs Johnson has offered to take it to the Daylight Centre. Deadline 20th May.

### **Hornbeam Collective Worship**

Hornbeam Class are working hard to prepare their Class Worship for next week!

They will be sharing recent work they have done relating to our most recent value.

We would like to welcome parents or family members to come to watch at 9am on Friday 13th May.
