

2021-2022 Number 26 | Friday 20th May 2022

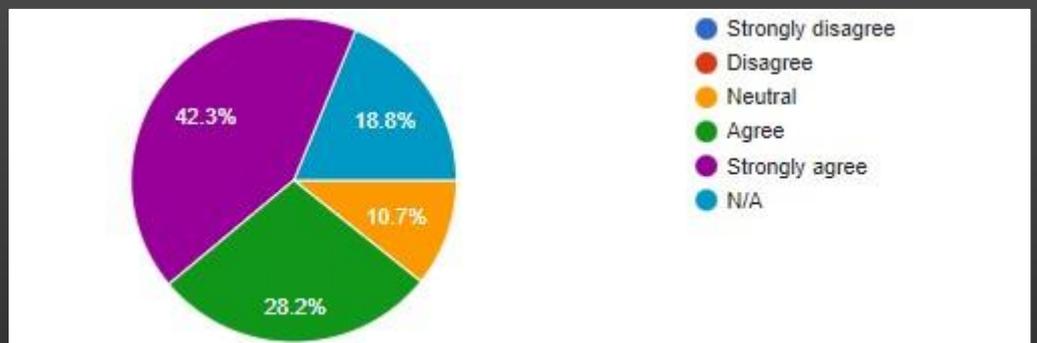

With Jesus as our guide, we will inspire a passion for learning, high aspirations and respect for all.

This week sees us start the journey for a big shake up of our lunchtime arrangements. Today 10 members of staff have spent the day working with an external consultant who specialises in transforming play and making lunchtimes more enjoyable for everyone. Initially this was planned around the builders completion date of the 6th June so was due to be launched after the half term holiday. However the builders are delayed and will not finish until the start of the summer holidays. We do hope that you will notice some changes gradually happen over the last half term, so watch this space!

As part of this project we advertised for children to be Playground leaders from our Year 4 and 5 classes. We were blown away by the number and the quality of the applications we received. It was a tough job selecting and originally we had thought that we would hopefully have around 12 of these but due to the number of amazing applications we have had to increase this to 20 all of whom who received their training today.

Earlier in the week we sent out a questionnaire in order to find out more information regarding the responses we received on our most recent questionnaire. We wanted to explore why parents and carers had answered the question "When I have raised concerns with the school they have been dealt with properly" This was answered so positively which was brilliant thank you.

With the bullying question responses showed a different response which has confused us so hence the questionnaire so that we can ensure that we improve and move forward. However we have not received any returns from you so can only assume that on reflection there is a different way of thinking or perhaps the question was misread in some way. It is only 10 parents who disagree and 3 who stated they strongly disagree with the statement " My child has been bullied and the school dealt with bullying quickly and effectively ". If you are one of these 13 parents please either complete the questionnaire and return by Wednesday or please come and speak to either myself or Amy Lovell.

This Week's **Top Class**
 Attendance: **96.2%** Attendance: **MAPLE & JUNIPER- 100%**

Next week is our fabulous celebration of the Queens life and long reign on the throne of England . We would like to invite you all to join our celebration at 2:00pm next Friday afternoon to share the childrens songs and dances through the decades. You may wish to bring a folding chair with you or a blanket to sit on as the children will be performing on the amphitheatre.

Sports day on Tuesday we are hoping looking at the weather will be good to go if not we will try to do this on Thursday. This is a whole day of activity so all children must be in the correct kit and have a hat in case of warm weather. Please apply sunscreen before they come to school incase the weather is sunny. We ask that you sit on one side of the track during the afternoon and also that you don't give your child drinks etc . Please send your child with a water bottle to use during the day.

So next week as usual is a busy week and we hope to see as many of you possible to join us in the various aspects of school life .

I hope you have a great weekend , see you on Monday ready for the last week before we finish for the half term break.

Best wishes

Mrs J

Sports Day

On Tuesday 24th May we have Sports Day. The day is always split into 2 parts (morning & afternoon). The morning session starts at **9.45am** until **11.30am** and involves the children taking part in multiple activities to gain points for their house teams.

The afternoon session starts at **1pm** until **3pm** and involves the class races, Year 6 Tug of War, and **Parents races** (don't forget your running shoes!)

This year, to celebrate the Queen's Jubilee and the Summer Commonwealth Games, the children have been given a Commonwealth Country to represent for the morning session. If they would like to make flags or banners over the weekend for you to bring and support that would be great. For the afternoon it would be brilliant to have as many Union Flags along the race track as we can in support of the Queen in our Jubilee week.

I look forward to seeing you Tuesday!

*Please note that our reserve Sports Day is on Thursday
